GRAVITY DESK

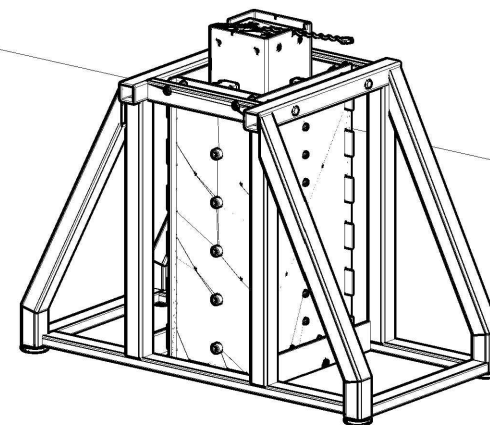

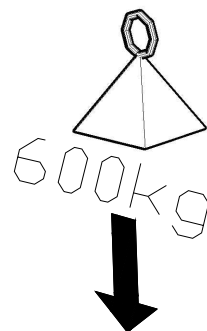

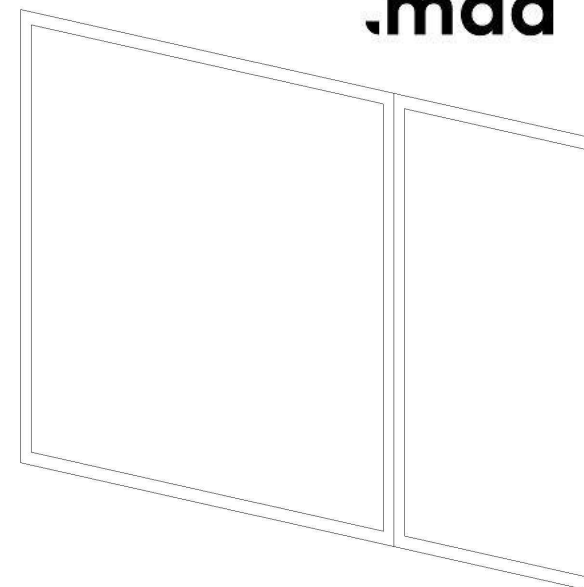

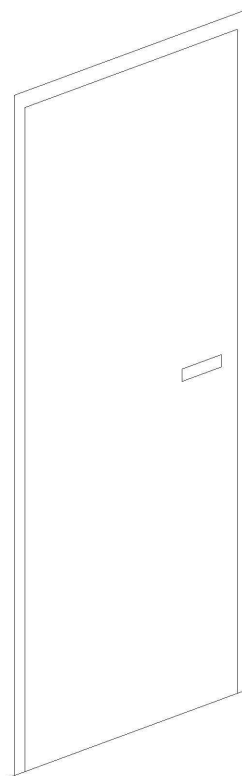

Ramę biurka należy ustawić w docelowym miejscu, ponieważ po zmontowaniu nie będzie można zmienić jej położenia. Wymagana wytrzymałość podłogi to 600 kg/ punkt.

Desk frame should be put at the desired place, as it will be impossible to move it after assembly. Required floor strength is 600 kg/ spot.

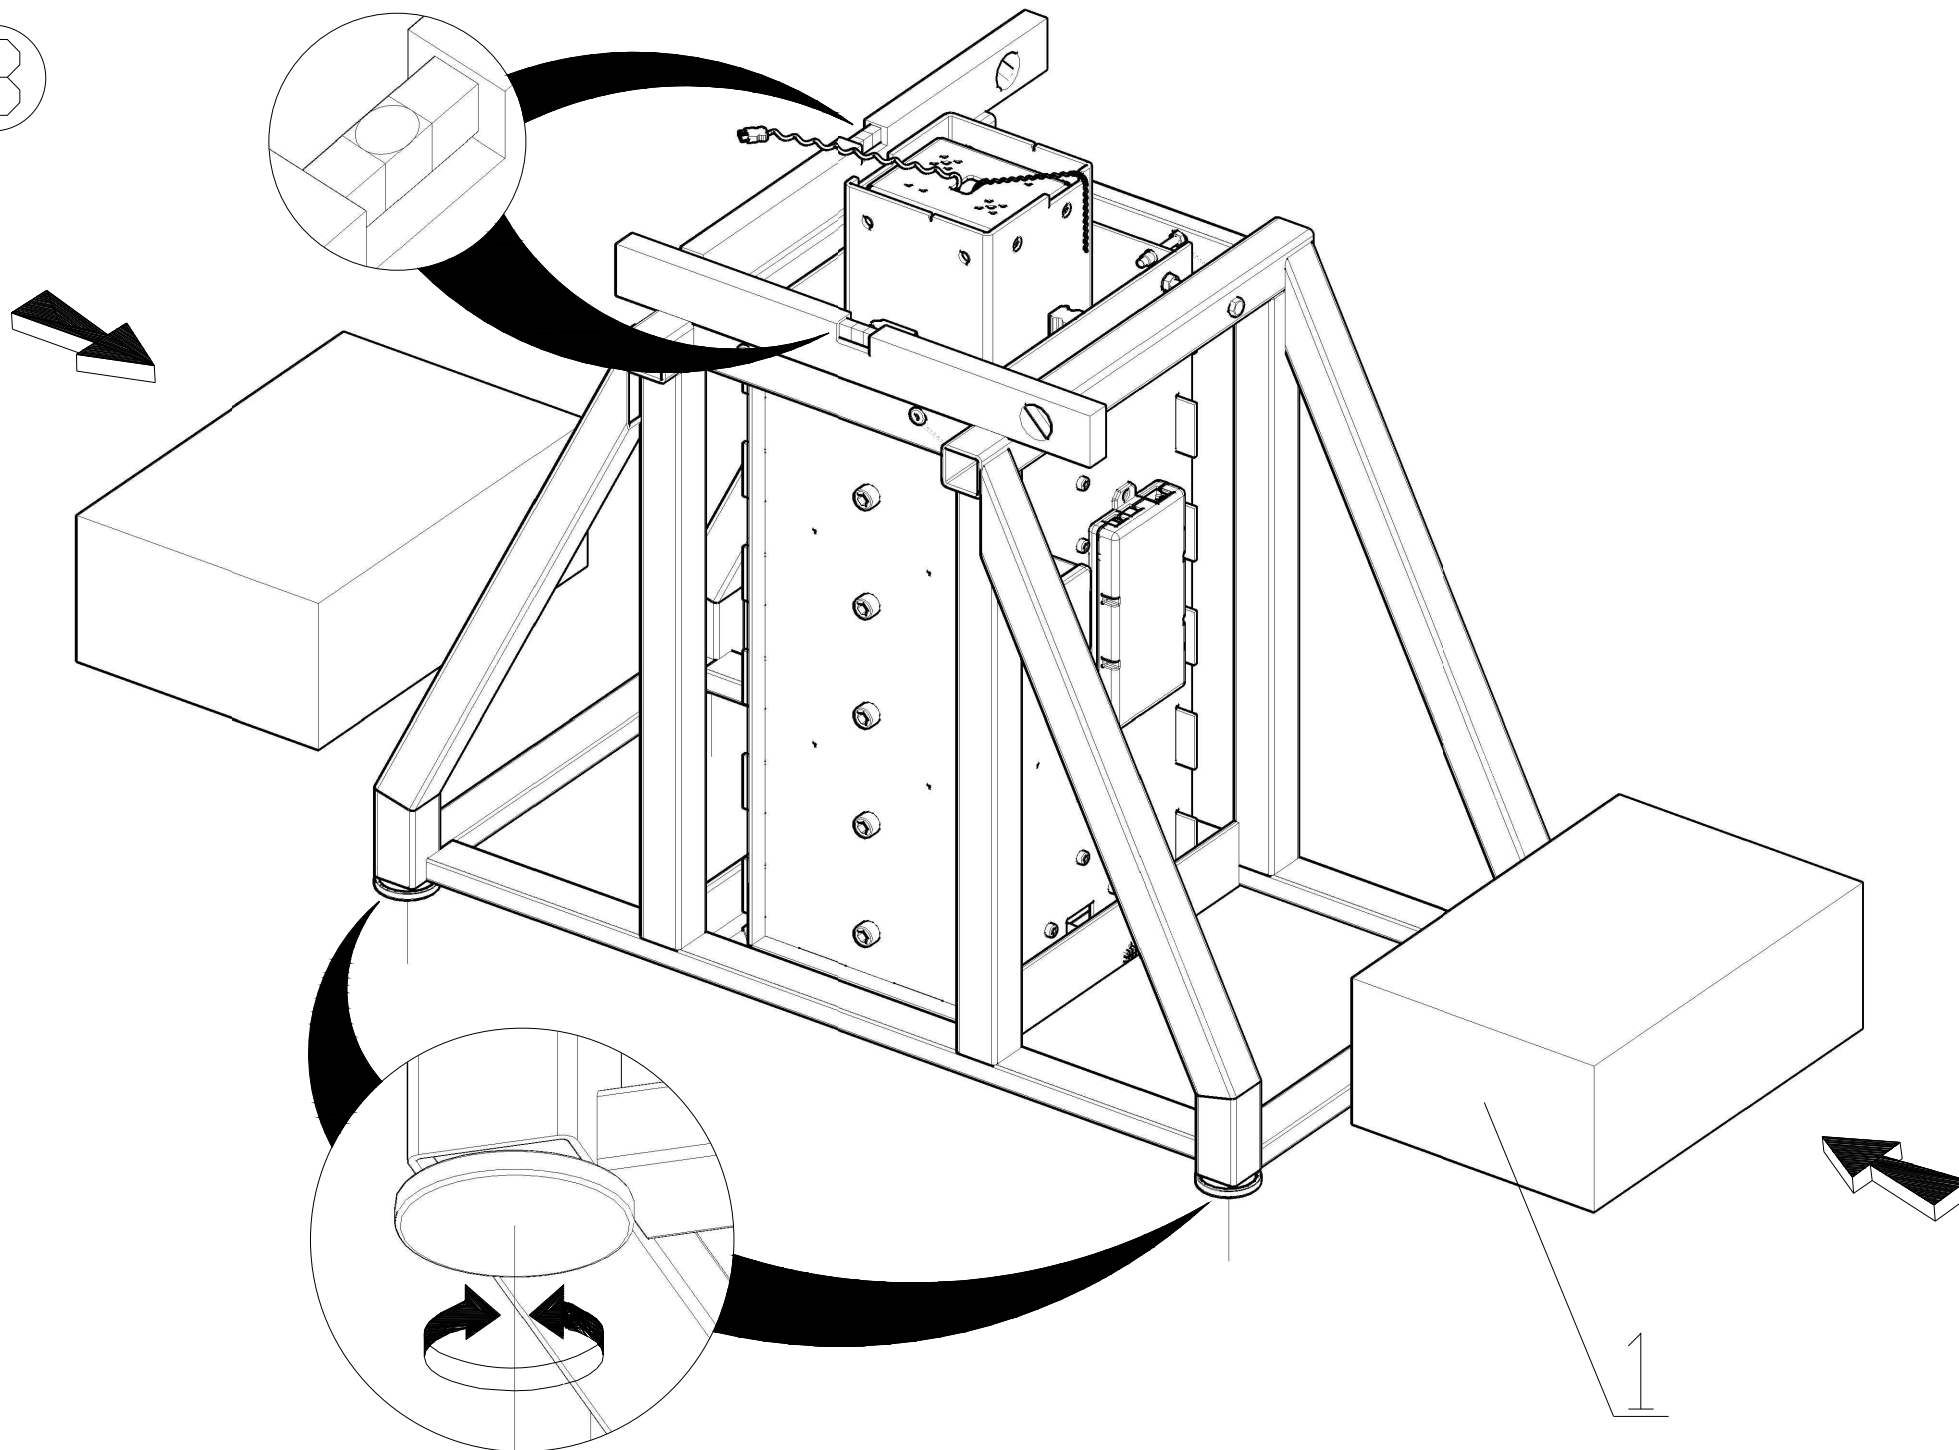

Gestell des Schreibtischs soll am Zielort platziert werden, da es nach der Montage nicht umgestellt werden kann. Erforderliche Bodenfestigkeit ist 600 kg/ Punkt.

Il est nécessaire de poser le cadre du bureau dans le lieu de destination finale car une fois monté, il sera impossible de changer sa position. La résistance exigée du plancher est de 600 kg/point.
